### [ Statement ]

Ben is an emerging director. Although his mainstay over the last three years is distinguished with numerous music videos and promos, his experience ranges from corporate work, test material, viral production, and short form entertainment. In spite of these many commissions being limited in budget and time, his work always bears a distinctive authorship. Using his present experience and forthcoming opportunities, Ben will be looking to develop his style further and steadily break into more narrative-based production.

### [ Skills ]

Can fully operate: Sony Z1 / A1, Canon XLIs, XM2, VX 1000, PD150, PD170, Final Cut Pro Studio, After Effects, Combustion and Photoshop CS3.

Experienced in Digital Betacam, 16mm and 35mm.

Has worked as: Director of Photography, Lighting Cameraman, First Assistant Director, Camera Assistant and Production Assistant.
